WE KNOW THAT YOUR REPUTATION IS EVERYTHING.

.....

THAT'S WHY WE WORK HAND
IN HAND WITH PLUMBERS
AND INSTALLERS TO DEVELOP
PRODUCTS THAT ARE EASY TO
FIT AND BUILT TO LAST.

We understand that time
is money, which is why
all our products are
designed with you in mind, making
them quick and simple to install.

The Axces by
VADO collection
comes with
a reassuring 10-year
guarantee*. So you can be
confident knowing you are
fitting the best products for
your customer.

All Axces by
VADO taps are
manufactured
from quality brass and
chrome plated, meaning
your customers will have
a high-quality shine for
years to come.

* Visit www.vado.com/support/guarantee for full guarantee detail.

Many of our Axces by VADO taps are fitted with a Neoperl Honeycomb

Air 4.5 l/m flow regulator, meaning they compensate for low pressure, save your customers money and will aid compliance with building regulations.

Look out for this symbol.

One of the main reasons for trade call outs is for leaking tails which have corroded over time. For complete peace of mind, all Axces by VADO products come with WRAS approved Tucui tails as standard.

We believe that good quality design shouldn't be exclusive to designer ranges. We innovate where it matters to ensure your customer can feel the difference.

Selected showering products have been fitted with thermostatic cartridges and lifecycle tested to 50,000 cycles, ensuring maximum performance even in the busiest of households.

CHOOSE YOUR STYLE.

Then visit the collection page to find a range of coordinating items.

HINTS & TIPS:

WATER SAVING.

Wherever you see this symbol you can be assured you are saving water without compromising performance.

GUARANTEE CONDITIONS

Our products are guaranteed against manufacturing defects from the date of purchase until the expiry of the relevant guarantee period shown above.

The guarantee is only valid if:

1. The product has been installed, used and maintained [maintenance guidelines can be viewed here] in accordance with VADO's instructions and subjected to normal use only.
2. The defect is not due to use of an unsuitable or inadequate water or power supply.
3. The defect is not due to accident, misuse, neglect or incorrect/inappropriate repair [other than by VADO or VADO authorised agents] or damage caused by foreign objects or substances.
4. The extended guarantee is only available if you have completed the Guarantee Registration Process. This can be done via the VADO website or via phone to our aftersales team. Registration must be completed within 6 months from date of purchase.

Under the extended guarantee period VADO will, at its option, offer to supply any replacement product (or component part) assessed to be defective [SEE NOTE 3].

The guarantee (whether standard or extended) is non-transferable to any subsequent owner.

All claims under the guarantee should be notified in the first instance to our Aftersales department, contact details below, this must be done no later than the last day of the relevant guarantee period. All claims must be accompanied by proof of purchase [sales receipt or delivery note] from an official VADO dealer.

The guarantee does not extend to any consequential loss or damage.

After repair or replacement, the relevant guarantee period will be calculated from the original date of purchase.

VADO operates a policy of continuous product development and therefore reserves the right to change the product, packaging and documentation specifications without notice.

NOTES:

[1] Labour via our engineer network is only available in the UK. Attendance by a VADO engineer or sub-contract engineer will be under our standard terms and conditions.

[2] VADO spare parts and shower hoses are under a parts only guarantee.

[3] VADO reserves the right to charge in advance for a product (or replacement part) pending collection and investigation [at VADO expense] to confirm a defect is due to a manufacturing issue. If a defect is found the charge will be refunded or cancelled. This guarantee is in addition to and does not affect your statutory rights as a consumer.

As part of our commitment to continuous product innovation, items in this catalogue highlighted with an hourglass timer icon are due to be discontinued from our portfolio and are last chance to purchase. Please speak with your local VADO stockist for more information.
